

# HP Enterprise Services – Social Media Video

## September 2009

**Voice:** The world is changing in ways we can hardly imagine.

**Super:** LOL/MEET U THERE; GOTTA RUN T2UL; OMG BEST FOOD EVER ... 8 WAY 2 MUCH

**Voice:** Every day, the number of text messages equals the Earth's population. One-hundred-and-twenty million users constantly update their status.

**Super:** SAW A SHOOTING STAR

**Voice:** And 450 million employees work virtually.

**Super:** 450 MILLION

**Voice:** And globally.

**Super:** IT DEPARTMENT CC: BUSINESS DEVELOPMENT TEAM SUBJECT RE: MEETING TOMORROW WE ARE GETTING READY TO TAKE OUR NEW PROJECT TO MARKET USING OUR NEW PLATFORM

**Voice:** One day, everything will be delivered how you want it, where you want it. Content in your context.

**Super:** I NEED A PASSPORT

**Voice:** Services, at your command.

**Super:** OPEN PLEASE

**Voice:** One day, the world will be more amazing than you ever imagined. That day is closer than you think. We're ready. Are you? HP Enterprise Services.

### HP Logo

**Voice:** What was once a challenge is now an opportunity. Industries sharing ideas with each other. Services that work anywhere. On any device. It's where the world is going. And we can help you get there.

**Super:** GROWTH PRODUCTIVITY INNOVATION SECURITY

**Voice:** Helping you deliver the outcomes that matter most. The way we are helping governments around the world and more than 400 of the Fortune 500 companies we serve.

**Super:** MORE THAN 400 OF THE FORTUNE 500 COMPANIES

**Voice:** Like no one else, we deliver practical innovation, collaborative expertise, flexible technology and sourcing, operational excellence and best-in-class technology.

**Super:** PRACTICAL INNOVATION

**Super:** COLLABORATIVE EXPERTISE

**Super:** FLEXIBLE TECHNOLOGY AND SOURCING

**Super:** OPERATIONAL EXCELLENCE

**Super:** BEST-IN-CLASS TECHNOLOGY

**Voice:** It's why we're always moving forward. And we want to take you with us. Digital information doubles every 18 months. People store almost as much in their e-mails as is in the entire Library of Congress. And that's just today when only one-third of the world's population is even online. The power of imagination is in your hands. It's also in ours. We're ready when you are.
